STRATEGIC ADVOCACY LEADERSHIP TEAM

A Baptist Women of North America Initiative

Mark 9:50

BAPTIST WOMEN
OF NORTH AMERICA

A SISTERHOOD SPANNING THE GLOBE

Mission

We believe young Baptist women are passionate and motivated to make a difference in their communities. We want to **equip** and **empower** them to live out their calling to be salt and light in the world.

Approach

Through our cohort approach, we will provide a **mentor** and an expert in whatever challenge you choose to take on. By working with a team, each woman can also learn from her fellow SALT advocates as successes and challenges are shared. The women who are chosen to be a part of SALT, will also have **prayer support** and **seed money** to help start the project.

Teams

Each woman will create her own **local mobilized team**. These team members may be from her church, school, neighborhood or personal friends. The cohort process will be for **2 years** but we believe each project will continue and grow for years to come.
